

## SITE Map:

### Home

The home page for the site. Recent News articles are posted here. Click on a heading to select the page or activate the sub-menu.

### About Us

- History – A brief timeline of the contest since its inception in 1996.
- Contact – A list of contacts. Email the registrar or regional director for registration questions or information about the contest. Use the treasurer contact for all payment questions and the President's contact should be used for other concerns.
- Locations – This is a list of the contest location throughout the area with links to maps.

### Information

- Rules – Brief eligibility rules with specific links to contest test rules.
- Fees – Fees for team and individual registration and where to send payments.
- FAQ – Frequently Asked Questions has categorized questions. Click on a question to see the answer (or hide it).

### Resources

- Rules – See above
- Past Tests – All of the previous Math is Cool contest papers. Click on a grade to see the tests for that grade by year. Then, click on a test to open the pdf in a new tab. You may also 'Save As..' in your browser to save the test. Past test materials may be used for non-profit purposes.
- *Study Materials – (coming soon)*

### Competitions

This gives a Table of the contest and dates for the current school year. Find the site and grade that you want and click on the date. More detail and the schedule in the bottom of the screen.

### Login/Register

When the user needs to create an account or to login to register a Team or Individual, Enter Names or check Invoice – choose this option. This will re-direct the user to the old site to accomplish it.
